CKVM4P

4-Port PS/2 VGA KVM Switch with Audio

Save space on your desktop with only one monitor, keyboard and mouse. This 4 port PS/2 KVM switch allows you to share one monitor, keyboard and mouse on 4 different computers. It is even possible to share one microphone and/or and speaker set. The KVM switch comes complete with all cables. Switching to the other computer can be done in 2 different ways, a hotkey combination on your keyboard or buttons on the KVM switch.

Highlights

- > Connect 4 PCs with one monitor, mouse and keyboard through PS/2
- > Compact design no power supply required
- > Easy switching thanks to LED indicator or smart keys
- > Create your home office
- > All cables are included
